## Shanghai Ding Fan Machinery Technology Co., Ltd.

### Price Quotation Sheet

High Speed Tube Annealing Machine

Product Series No. by Manufacturer: DF-T40

<DF-T40>UNIT PRICE : FOB Shanghai USD 27,500.00

1. The above price is based on FOB Shanghai in US Dollars .
2. Payment Term: (1) 30% invoice value in advance payment when signing the contract.  
(2) 70% invoice value payment after the receipt of shipping notice .
3. Free after-sales service guarantee for one year; And ensure a permanent paid after-sales service and spare parts supply.
4. Packaging: Standard export seaworthy packing.
5. The company offers free installation and debugging, technical training and the whole factory plan ; However the accommodation costs for installation or technical training is paid by the buyer.
6. The company can provide assistance or design by customers' special specification requirements.
7. This price list only for quotation purpose. When the order is confirmed, only the formally signed sales contract by both parties shall be prevailed.

#### Machine Description

Machine Type	DF-T40	DF-T32
Application	round copper wire annealing and tin-coating	
Wire Number	40	32
Wire diameter	$\phi 0.10 \sim \phi 0.32\text{mm}$	
Mechanical Speed	Max. 300m/min	
Tin-plating way	Single tinning tank arrange in horizontal type	
Wire Supply Way	By tension wire	
	Max. $\phi 300\text{mm}$	
Take up way	Single spooler drive torque motor	
Annealing type	Continuous annealing by heater	
Spool	PT5~PT25	
Installed electric heating unit power	48KW	36KW
Installed Motor power	15KW	10KW
Installed power	63KW	46KW
Overall Dimension	L 25000 ×W 2200	L 22000 ×W 2200
